            "description": "Description goes here"
        }
    },
    "flow": {
        "id": 1,
        "name": "In Development",
        "library": {
            "id": 1,
            "name": "CoreUI",
            "description": "Description goes here"
        }
    }
}
```

Type

```json
{
    "id": 1,
    "name": "Component"
}
```

Status

```json
{
    "id": 1,
    "name": "In Development"
}
```

BaseElement

```json
{
    "id": 1,
    "name": "Accordion",
    "baseElementCategory": {
        "id": 1,
        "name": "Input Controls",
        "description": "Description goes here"
    }
}
```

BaseElementCategory

```json
{
    "id": 1,
    "name": "Input Controls",
    "description": "Description goes here"
}
```

Flow

```json
{
    "id": 1,
    "name": "In Development",
    "library": {
        "id": 1,
        "name": "CoreUI",
        "description": "Description goes here"
    }
}
```

Library

```json
{
    "id": 1,
    "name": "CoreUI",
    "description": "Description goes here"
}
```
